

Thank you for allowing Altitude Anesthesia to provide the anesthetic for your upcoming procedure. We have found that our patients appreciate knowing exactly what to expect from our team, including their financial obligations. Therefore, we prefer to inform our patients prior to providing any treatment.

Our Vision

With high integrity, excellence, and compassion, we serve our patients by administering a safe and effective anesthetic in order for you or your family member to undergo dental/surgical treatment.

Financial Arrangements

We offer the following methods of payment for services provided. This will allow us to focus on our specialty, providing you with superior customer service and optimal anesthesia care in a comfortable environment using only the most up-to-date materials and medications while keeping our fees as affordable as possible.

- 1. *Cash, Check, Debit Card, Mastercard, Visa, Discover & American Express Accepted***
Payment in full is due when services are performed.
- 2. *A 500 dollar deposit is due prior to the appointment to secure your appointment***
This amount is non-refundable with less than 48 hrs notice.

Patients over 12 yrs of age:

750 first hour, 600 dollars per hour billed in 15 minutes increments thereafter, 900 dollar minimum

Payment in full is due for estimated time prior to appointment (day of). Any differences will be either refunded or settled on day of appointment.

Patients under 12 yrs of age:

950 dollars for first two hours, 150 dollars for every 15 minutes thereafter

Payment in full is due for estimated time prior to appointment (day of). Any differences will be either refunded or settled on day of appointment.

Dental/Medical Insurance

We do not accept any private insurance. However, upon request we will create a claim for the anesthesia services you will receive. You can then submit this to your insurance company as request for reimbursement. We have found the percentage of reimbursement varies widely between different insurances and suggest you contact your insurance company directly for more information. Furthermore, no guarantee is made that any of the anesthesia cost will be reimbursed.

Appointments, Timeliness, and Communication

Please remember that your appointments are reserved specifically for you. We are committed to seeing you on-time and request that you arrive on-time for your visits as well. We want to ensure all patients are seen when promised.

We request that at least 48-hour notice be given if an appointment needs to be rescheduled.

Missed appointments (no shows) and short notice cancellations (less than 48 hours) are subject to a forfeiting of their deposit.

Treatment Fee Estimates

Anesthesia fees given are based on the treatment time anticipated by your dentist/surgeon. This time is only an estimate and can vary. You will be responsible for any increase in anesthesia time needed to complete your procedure and refunded if this time is shorter than expected.

I understand and agree to the following Financial Policies as listed above:
