

PRE ANESTHESIA INSTRUCTIONS

<i>EATING AND DRINKING</i>	<p><u>Appointments Before 11:59 a.m.</u></p> <ul style="list-style-type: none"> • Nothing to eat or drink beginning 8 hours prior to anesthesia • May take medication with a small sip of water <p><u>Appointments After 11:59 a.m.</u></p> <ul style="list-style-type: none"> • Nothing to eat beginning 8 hours prior to anesthesia • May drink water, Sprite or gatorade only up until 4 hours prior to anesthesia
<i>CHANGE IN HEALTH</i>	<p>Please inform the dental office if your child becomes acutely ill such as high fever or vomiting within 3 days prior to the appointment so that we may discuss with you the need to reschedule.</p>
<i>ARRIVING</i>	<p>One parent/guardian must accompany your child to the dental office and must remain until treatment is completed. Please leave siblings at home.</p>
<i>CLOTHING</i>	<p>Please dress in cool, comfortable clothing including a short sleeved shirt. Bring a change of clothing for your child.</p>
<i>MEDICATIONS</i>	<p>Please continue to take all medications that your child routinely takes. DO NOT give your child any other medicine before or after treatment without checking with your anesthesiologist.</p>
<i>GETTING HOME</i>	<p>It is preferred that your child be accompanied by two responsible adults. However, we understand this is not always possible. Someone should be available to drive you/your child home, no public transportation is permitted.</p>
